## **New Facility Available In San Joaquin Valley, Calif., Park**

The Allen Group, a developer of office and industrial properties, has completed construction of a new 288,000-square-foot building at the International Trade and Transportation Center, a 700-acre master-planned logistics park located in the southern San Joaquin Valley. The facility features dock side rail service and concrete-tilt construction,

and 48-foot dock height doors, among other features. The facility is located adjacent to Target Corp.'s 1.7 million-square-foot distribution center. For complete details on the new facility, visit [www.allengroup.com](http://www.allengroup.com).
