

The Allen Group – California

LUKE S. ALLEN • CALIFORNIA DEVELOPMENT COORDINATOR

Luke Allen is engaged with the daily development operations, working with the Company's California Development team to oversee the various industrial, office and retail projects across the State.

Since joining the Company in 2004, Mr. Allen has worked on a number of office and industrial projects in markets such as San Diego, Bakersfield, Visalia and Sacramento, California, as well as Dallas and Kansas City.

Mr. Allen's daily responsibilities include evaluating potential development sites; master plan development; pro forma and financial analysis; and interacting with contractors, architects, engineers and other development professionals on behalf of the Company.

Mr. Allen also is responsible for managing daily compliance and annual reporting of the Company's operations relative to properties located in Foreign Trade Zones — the International Trade and Transportation Center in Shafter, California and the MidState 99 Distribution Center in Visalia, California.

Before joining the Company, Mr. Allen served as a property manager with San Diego-based Meissner Jacquet Investment Management Services. His portfolio included 11 office and industrial buildings, totaling over a half million square feet, for which he oversaw daily property operations, tenant relations and budgets.

Mr. Allen graduated from California Polytechnic University, San Luis Obispo, with a major in Business Management and a minor in Economics. He resides in San Diego, California.
