

Intuit, Inc.

O F F I C E

SAN DIEGO • CALIFORNIA

Developed as a build-to-suit, this location was selected by Intuit for their San Diego headquarters. As a developer of best-selling small business, tax preparation and personal finance software, Intuit has become a high-tech powerhouse. Among other things, the company now has more than 1,700 bank customers in the United States;

Intuit powers their online banking capabilities, touching nearly one-fourth of all online banking users in the country. Intuit's San Diego corporate campus, which houses approximately 700 people, includes a cafeteria, a multimedia production studio and an outdoor amphitheater.

SIZE: 141,000 square feet; 2 stories
