

# Target Corporation

I N D U S T R I A L

SHAFTER • CALIFORNIA

Target Corporation is one of America's largest general-merchandise retailers, currently operating more than 1,300 stores in 47 states, and 19 distribution centers nationwide. The company selected the International Trade and Transportation

Center in Shafter, California for its new 1.7 million square foot distribution facility serving California and other western states. The facility is the largest distribution center in California.

SIZE: 1.7 million square feet; 1 story
