

Tucker Rocky Distributors

I N D U S T R I A L

VISALIA • CALIFORNIA

This facility of 227,000 sq. ft. was developed to meet the needs of Tucker Rocky Distributors. Tucker Rocky moved their operations to Visalia, California due to its central location in serving customers in the western states.

The facility's mid-state location allows Tucker Rocky to utilize the services of UPS, as well as the state's LTL carriers, to provide overnight delivery of goods to their customers in California.

SIZE: 329,540 square feet; 1 story
